Rest in Peace AJ

# COACHES CORNER

## **MATTY DAVIES** **HEAD COACH/CO-OWNER**

As a team we had a real up and down month. We had some good results at home and started the month really well. We won some big games against Peterborough at home and a big result against the bees, but we also lost at home in the shoot-out against Telford and lost 3 games on the bounce away from home.

We had some tough conversations and did a lot of work on video and on the ice, working on our defensive side of the game and working on small details.

I felt we lost our way in how I want us to play and finding that balance throughout the team has been difficult.

October was a tough month for everybody connected with ice hockey and one we hope we don't see ever again. With the Adam Johnson incident we will see a lot of changes in ice hockey and one that sees the players wearing neck guards which is a change for them and makes everyone stop and take stock in what really matters in life.

“

**BACK PLAYING IN FRONT OF FULL CROWDS AND PUTTING ON A SHOW AT HOME WITH THE BOYS PLAYING HARD FOR THE SHIRT IS OUR GOAL FOR NOVEMBER.**

”

Although we have lost we are still dominating games, we haven't been outshot in any game yet and I feel we are very close to playing our best hockey.

We have a huge month coming up in November with 2 games every week and some massive home games which are going to be crucial in us making the semi final of the cup.

The lads are excited about being back at home after 2 weeks away with the postponement of the Solway home game. Back playing in front of full crowds and putting on a show at home with the boys playing hard for the shirt is our goal for November.

Pushing forward in the league and cup, putting ourselves in a good position going into the Christmas period.

Come on Seahawks!

## NOVEMBER PREVIEW

The Seahawks are now back on track after a tough end of October results taking tough losses against Telford Tigers, Bees and Solway Sharks which really begun to test the Seahawks locker rooms character.

But the month of November couldn't have started any better for the Seahawks with a 4 point weekend against the Bristol Pitbulls and MK Lightning as we bounced back in perfect style.

The fixtures start to ease in terms of travel for the rest of the month as we have four home games on the bounce coming up against yet again more tough opposition as we look to make our mark in the league and cup standings.

November will also showcase our Remembrance Support with a showcase feature including our Remembrance Jerseys on Sunday 12th November against the Bristol Pitbulls down at the Hull Ice Arena.

The Hull Reckitt Seahawks would also like to send our condolences to the Johnson family, friends and teammates at this extremely tough time with the #47 Panthers forward tragically passing away in a freak accident on Saturday 28th October.

Rest in peace, #47 Adam Johnson
